The Superintendent of Police
RBP, Division- VI
Tsirang

Sub- Input for extra Surveillance and Monitoring at Darachu PoE.

Dasho,

We are well informed on the COVID-19 situation around the globe and in our country too. The emergence and rising trends of positives cases in the neighboring Dzongkhag, Sarpang-Gelephu, has indicated us to be more alert and prepare accordingly. Dasho Home Secretary over the phone call clearly directed me as Dzongkhag Incident Commander, and Tsirang Dzongkhag being adjacent to Sarpang Dzongkhag to take up following measures immediately w.e.f 29.8.2020:

1. To take up extra Surveillance at Darachu, Point of Entry (PoE).

- Health Staffs, RBP, Dessung stationed at Darachu PoE to observe all health measures (wear mask, face shield, gloves, use of sanitizer, maintain social distance) before monitoring and recording of all passengers travelling into the Dzongkhag.
- Health Staffs stationed at the PoE to carry out fever screening and the detailed reports on vehicle and passengers entering to this Dzongkhag has to be submitted to Incident Commander on daily basis.
- Officials deployed at the PoE to be extra cautious round the clock as anybody can be the victim of this pandemic. Surveillance during night hours could be weak but official on duty has to be extra mindful.

ཀྲིན་ངན་འཛོན་སྐྱོང་ཡིག་ཚང་།

ཕེ་རང་།

-
- Point of Entry to Damphu Town (Forest Chek Post, BOD) to be manned and strictly monitored by RBP, Desuung.
 - Vehicles coming in from Sarpang and Thimphu to be diverted along the By-Pass route.

(Penpa)
DZONGDAG
Incident Commander,
Tsirang Incident Command System (TICS.)
