ROYAL GOVERNMENT OF BHUTAN
DZONGKHAG ADMINISTRATION, PARO

རིན་ལུང་ས་ཚོང་།

RINPUNG DZONG

PADZONG/SHERIG-4(5)2020/08

December 29, 2020

To
The Secretary,
Ministry of Education,
Thimphu.

Subject: Seeking Approval and Fund Support for Operating Schools in Quarantine Mode.

Hon'ble Dasho,

This is to seek your kind approval and fund support for operating the secondary schools in Paro in a self-contained/ quarantined mode to help our children complete this academic year without further interruption even in case the need to observe lock down prolongs. Foreseeing frequent disruptions in view of the current trend and also considering the need to help our children complete their school education, the Dzongkhag Administration in consultation with the concerned school Principals have come up with a proposal to operate schools in self contained/ quarantined mode.

Of 12 secondary schools, eight have boarding facilities and only some additional monthly stipend has to be funded. But other four are complete day schools for which some establishment cost and miscellaneous expenditure have to be incurred besides monthly stipend. It is estimated to cost us additional expenses of around Nu.5.012 (Ngultrum five million twelve thousand) only a month for which the costing sheet is attached herewith for ready reference.

Hence, the Dzongkhag Administration requests the ministry to consider approving the proposal and at the same time arranging necessary fund support. This will help us continue providing education to our children in an uninterrupted manner at least for the last three months.

Operational plans for self-contained/ quarantined mode submitted by respective day schools are also attached herewith for ready reference.

Thanking you in anticipation for favorable support as always.

Yours faithfully,

(Tenzin Thinley)
Dzongdag
