Office Order

In the wake of COVID-19 Pandemic, Sarpang Dzongkhag is implementing every possible measures to prevent the virus entering into our area accordingly as per the directives issued from RGOB (Ministry of Health). However, we need to be more vigilant as cases are exponentially growing in India.

Therefore, I urge every office within Sarpang Dzongkhag with over 20 staffs to nominate one COVID-19 Focal Officer and submit his/her details to tpenjor@sarpang.gov.bt immediately.

The Focal Officer should be accountable to ensure the office observes COVID-19 prevention measure strictly as mentioned hereunder:-

- 1. Druk Trace QR Code (Visitor logbook) at the entry & exit point and ensure everyone uses it.*
- 2. Ensure everyone uses facemask be it visitors or office employees.*
- 3. Ensure hand sanitizer or hand washing station at entry point of the office.*
- 4. Ensure social distancing and etc.....*

(Karma Galay)

Incident Commander

C-19 Taskforce Sarpang Dzongkhag.
