Sub: Maintenance of Youth Center meeting hall.

Dasho,

In the awake of Corona virus pandemic the Dzongkhag COVID-19 Prevention Task Force convened series of meeting at Youth Center meeting hall including audience with highest level owing to non avilability of a suitable meeting hall in and around Gelephu area to accommodate such meetings. However, the structure needs some painting and maintenance work.

Therefore, kindly facilitate maintenance work including paintings as we have to use this meeting hall for all levels of gathering till COVID-19 comes to an end.

Thanking you
Yours Sincerely

(Karma Galay)
