Sub: **Strengthen awareness program on COVID-19**

Dear Sirs/Madams,

We all are aware that each day one or more new country is reporting about the detection of positive COVID-19 cases World wide ever since the start of the outbreak in Wuhan city in China. Our Country has also detected an imported case of positive COVID-19 on 5th March 2020. Despite Government, Health Ministry and other allied agency's efforts in calming the general public through consistant health information sharing, there is still issues regarding the Knowledge, attitude and Practice from the general public in terms of response to preventing COVID-19.

Therefore, you are instructed to strengthen the awareness program on COVID-19, identify isolation ward/room and quarantine places in consultation with the Gewog Administration and report details to the DHO. This is mainly to be prepared if in case, a suspected case of COVID-19 reports to your health facilities.

Thanking you.

Sincerely yours'

(Karma Galay)
