August 27, 2020

**URGENT NOTIFICATION ON VEHICLE MOVEMENT**

This is to notify all the concerned agencies that vehicle movement passes are not clearly understood by both the users and those reinforcing the rule. It has come to the notice of Dzongkhag C19TF that the movements out of zones are rampant in the pretext of cards violating permissible movement. Please note that there are three types of passes issued for the;

**1. Movement within the Dzongkhag**

Movement Pass issued to Projects (MHPA & THyE), institutes, financial institutes etc. These are specific to organizational need within specific areas; and must NOT be used for any other purposes. Violation of this rule will result in compounding the vehicle, detention of driver and loss of this privilege to the organization

**2. Daily time bound and task specific passes**

These are issued on daily basis depending on the need and area specific to allow individuals/officials to restore services. Kindly note that vehicles found plying other than the designated time & place will result in compounding the vehicle and official in charge will be charged with negligence and called for explanation

**3. Service Delivery Permits (Vegetables/Livestock products & Groceries)**

Movement for vegetable collection can be done daily except on Tuesday and Saturday. Vendors should collect vegetables’ and livestock products from the identified collection centers in the Gewogs and are prohibited to visit individual farmers. Door-to-door delivery is lifted and all deliveries will be made to the identified ‘Pick and Drop Centers” depending on the demand. Services are available from 0800 A.M – 0500 P.M depending on the Zone distribution.

**NOTE:**

1. All customers/individuals found within the town area for shopping - vegetables or essential items must have their card visible in person. People found loitering in the market area without the card will be handed over to the security officer.
2. Those vendors and shops found entertaining customers without the card or not following safety protocols will lose their right to operate!
3. Within the Gewog, and the two projects (THyE & MHPA) - Gups and MDs can mobilize movement within their zone but movement across gewogs or out of one’s zone is not allowed without prior approval from Dzongkhag C19TF in written.
