Subject: Repatriation of Stranded People

Dasho,

The NC19TF has been apprised of the CC19TF's proposal and arrangement of logistics for the repatriation of stranded people in its meeting today. The proposal has been approved except provision of free food and lodge. While the CC19TF has coordinated free transportation with the government bearing the cost of fuel, the people have to bear the cost of their food and lodge while arrangement of the same, shall be made by the CC19TF/concerned Dzongkhag Administration.

Thanking you

Yours Sincerely,

(Jigme Thinley Namgyal)
Member Secretary
