

This Guideline /Protocol will be applied to Gewog Zones identified by Thimphu Dzongkhag

1. Movement of people will be allowed with less restriction within their Chiwogs specifically related to farming and livestock rearing. The gewogs should develop SOP/guidelines for such movement.
2. Movement of people should be monitored by Gewog Administration and Desuups.
3. People are restricted from moving from one Chiwog to another Chiwog except for farm work and cattle grazing purpose as per SOP.
4. People are allowed to do farm works in max of 3-5 in one group.
5. For non-farming activities maintain social distancing:
6. No visiting of public places (except health related) like Lhakhangs and public institutions
7. People are discouraged from visiting neighbor's house at all times.
8. No rituals and local festivals will be allowed.
9. No outdoor games but people can exercise outdoor.
10. Food collections from forest are allowed only within their own chiwog including firewood collection.
11. No logging activities shall be allowed.
12. Construction activities will be allowed if the construction sites are well compound and equipped with construction materials.
13. No movement of people and construction materials will be allowed from these identified and approved construction sites.
14. Dzongkhag to develop SOPs for supply and distribution of goods within Dzongkhag.
15. Gewogs to identify designated vehicles to transport vegetable surplus to rest of the Dzongkhags.
16. Drivers to get tested before being allowed to travel to another Dzongkhag and should follow COVID-19 safety protocol.
17. The Dzongkhag will approve and issue special movement passes (Cars and people) to people to carry out essential activities. SOPs will be developed if such movements are required through risky areas.
18. No movement pass for the public will be provided in these Zones.
19. People who have been asked to self or home quarantine are not allowed to move.
20. Identified Shops will be open on daily basis from 8 am to 7pm.
21. All shop must have Druk Trace QR Code.
22. All shop must replenish Stock from time to time.
23. Internet banking facilities must be made available by the Shops.
24. All shops must provide refreshment for helpers on Duty like Desuup & Police.
25. Shops can opt for pre-packaging of essential goods to reduce overcrowding in the shops.
26. Mark prices on all essential goods should be displayed.

27. The Dzongkhag and Gewog market surveillance team should regularly monitor the prices of the essential goods and facilitate the stockpiling thereof.
28. The identified shops should strictly adhere to COVID-19 safety protocols as follows.
- Install Hand Washing facilities or Hand Sanitizer stand.
 - Mask/Cloth to be worn by everyone at all times while in Shop
 - At any point only one customer should be allowed inside the shop. Queuing of people should be outside shop.
 - Daily sanitization of Shop
 - Only authorized shop are allowed to open
29. The Shops should strictly adhere to the SOP/guidelines and will be strictly monitored by Gewog officials and Desuups.
30. Any violations by the shop will lead to immediate closure of the shop as well as the cancellation of the license of the shop.

Shops approved for opening under Thimphu Dzongkhag during 1st phase of unlocking
